Sir:

Applicants request reconsideration and withdrawal of the "Notice of Non-Compliant Amendment" dated June 14, 2006 signed by Victor Barlow. The "Notice of Non-Compliant Amendment" signed by Victor Barlow is an error.

The notice refers to an amendment filed on April 17, 2006. Applicants did not file a paper on April 17, 2006. The most recent paper filed by Applicants was submitted to the USPTO on June 9, 2006. A review of PAIR shows that the paper filed on June 9, 2006 has been entered into the electronic file.

The notice indicates that a complete listing of claims is not present, and includes the statement that "1-18, missing". However, only claims 1-17 are pending in this case, and a review of the papers filed on June 9, 2006 and entered into PAIR shows that all claims are accounted for in the latest submission of papers.

Therefore, since the notice dated June 14, 2006 is an error, Applicants respectfully request withdrawal of the notice and entry and examination of the papers filed June 9, 2006.
